## WHAT DOES “BUSY” MEAN

Dear Chosen One: A few years ago, I received a letter from a friend. The author is unknown. As I was going through my archive, I came across it and I decided to rewrite it and share this newer version with you. Take this seriously because it's TRUE!

Before and after the pandemic many Christians have come up with various excuses as to why they are not going back to church or making the effort to fellowship with other believers. What they don't know is the devil is very strategic and for years he has been plotting how to disconnect the Church Body from spending time in the presence of God, with each other, and gathering in churches.

The Message goes like this: Satan called a worldwide conference and invited all the demons. He told them, “It's impossible to keep Christians who go to church and read their Bibles from finding out the Truth.” He went on to say that “When they are united and connected to God, they are Powerful” and it is easy for them to defeat him [Satan]. “So instead of trying to stop them - let's make them **BUSY**.”

Satan said, “We will allow them to go to church but let us encourage them to have long church meetings, concerts, dinners, bingo-nights, shows, various fundraising projects, because these things could steal their time and they wouldn't have any time to develop a personal relationship with Jesus.”

The devil told his demons, “I want you to distract them from gaining access to their Savior and maintaining that vital connection every day. This can only be accomplished if we keep them **BUSY** with the nonessential things in life. We will start by

tempting them to spend more money than they have. Let them borrow to buy houses and cars and all the unnecessary things they want. This way, they will never be able to afford their lavish lifestyles, but they will be **BUSY** working long hours and more days to repay their debt. This scheme will also deprive them of spending quality time with their spouse and children as a family and their homes will offer no escape from the pressure of work.

Let us keep their minds over-stimulated so they will not be able to hear the “**Still small voice**” of their God. Overload their phones with calls from debtors, telemarketers, and pocket calls. Entice them to play lots of worldly music, keep them watching propaganda, advertisements, magazines, and listening to fake News on every TV. Make them worry. Flood their Instagram and Facebook pages with violence, sex, get rich schemes, and anything that will draw their attention away from Jesus.

Fill their mailboxes with junk mail, unwanted store coupons, catalogs, sweepstakes, and every kind of free promotional product and services. This will give them false hope and consume their time.

Invade their time while they are driving and using public transportation by putting up billboards all over the highways, street corners, train stations and wherever they are gathered. This will keep them constantly thinking, thinking...thinking.

Increase the Lottery Jackpot, open Casinos, and make them gamble their money. Legalize marijuana for them to smoke and give them easy access to illegal medications so that they can become

addicts. Put a liquor store at every corner; let them drink and become drunkards and when they break the law make sure that they get long sentences in prison. This will discourage them from praying and seeking God.

We will trick them and make them dissatisfied with their bodies by letting them believe that skinny people are happier and more beautiful. A big butt is the trend. Small breasts are not sexy since big breasts are glorified by men. Weaves, wigs, and artificial implants are all outward beauties that bring contentment. This scheme will keep them **BUSY** mutilating their bodies, their godly temples.

Let's keep wives **BUSY** fixing their bodies as this will make them too tired to love their husbands. Then, we will blind husbands to their wives' inward beauty so they can keep looking for love in all the wrong places.

We will substitute Easter Bunnies at Easter so they will forget about the true meaning of the Resurrection Power over sin and death and what Christ did for them on the Cross.

Gluttony is a "**sin**" so we will allow them the feast with their big Turkey dinners, pies and all the other food on Thanksgiving Day without them being thankful or giving thanks to their Savior.

Let's distract them into thinking that Christmas is all about gifts, Santa Claus, and endless shopping so they will forget the true meaning of why Christmas is celebrated-Christ' birth.

During their recreation time, we will make them exhausted, tired, frustrated and too **BUSY** to go out and enjoy the beauty and reflect on God's creation.

We will encourage them to get out of their homes to attend plays, concerts, movies, sport events, and go to amusement parks, clubs, bars, restaurants. This will add to their **BUSY** schedules and make them **BUSIER**. Remember our goal is to

make these Christians feel that being **BUSY** is contributing to God's agenda.

However, when they happen to come together to fellowship, we will make them focus on what the Pastor and others are doing in church. This will lead to gossip, small talk, chit-chatting, and cause division within the church Body.

Make all the effort to help them feel that they are capable of working in their own strength; this will boost their ego and they will become prideful. Thus, in this way they will not depend on God's strength but their own. This will lead them to sacrifice their health, values, family, faith, and spirituality for the good of the cause."

The devil told every demon in hell this was his plan to keep Christians **BUSY** and then he assigned his demons to go and execute his plan. The demons went rushing to carry out their assignments.

People of God, from the look of things, it seems like the devil and his demons have been successful keeping Christians **BUSY**. Many of you have become so **BUSY** that you have lost your passion for the things of God. You allow yourself to become so **BUSY** that you are unable to enjoy the simple things in life.

You no longer enjoy family gatherings and dinners because you are **BUSY** working long hours at the office. Even church activities have kept you away from your family and spouse creating friction in your homes. You were once on Fire for God now you have become cold and disconnected from your faith.

If this message has convicted, you then you need to repent and come out from under the yoke of Satan. If you are not too **BUSY**, share this message and start spending more time with God and your family.

The true meaning of **BUSY**:

**Being-Under-Satan's-Yoke. GET OUT NOW!**
