DO YOU WANT TO KNOW WHO JESUS IS!

Dear Chosen One: Many people are still skeptical of Jesus Christ and who He is. It is no secret: God has revealed to us who Jesus Christ the Son of Man and the Son of God is, in His written Word.

From Genesis to Revelation these answers were made available to us. Therefore, we don't need to inquire from anyone or any other source because the Word of God is Truth and can be trusted. The Bible tells us that when we seek God with all our hearts we will find Him. Like any good father, God wants us to seek Him not only when we want something, but to inquire about who Jesus is.

Too many people are searching for spiritual answers from carnal sources, and they are being deceived by god-haters, the devil, and those who oppose the Word of God and Truth. Don't be deceived, read the Word for yourself and develop a personal relationship with Jesus Christ before it is too late.

Personally, I would hate to know that anyone whom I love, which includes you, gets left behind when Jesus returns. I know that my salvation is secure, and God has provided a place for my final destination. Together, we can make a difference for we are called to be our brothers' and sisters' keepers. If you are not sure about your Salvation or final destination, now is the time to seek God and get to know Him for yourself.

Together, we can reach the lost and bring those who are still in darkness into the light. Let me show you how God reveals who Jesus, the Son of Man and Son of God is, through His Word. Jesus is the Word

If the Sons and Daughters Ministry has been a blessing and a positive influence in your life over the past years, please contact us and follow us on Facebook and let us know. For two decades God has used me to encourage you through my writings which were done from a prison cell. While my body was in prison my spirit was free to do the will of God. Today, I am reaching out to you from my home. I am no longer writing these letters from a prison cell.

My wilderness journey was not easy, but with God on my side, I was able to go through and come out victoriously. Yes! As Christians our faith will withstand trials, but we must choose to trust God through those trials. God has never failed me. Stay encouraged and be blessed!
