January 2026

## 2026 IS THE YEAR TO BE BOLD!

Dear Chosen One: **I greet you in Newness!** You have made it into a new year—praise God! As we step forward, let us remember the words recorded by the Prophet Isaiah:

*“Forget the former things; do not dwell on the past. See, I am doing a new thing! Now it springs up; do you not perceive it?”* —Isaiah 43:18–19

Some may say 2025 was the best of times, while others may feel it was the worst. For many, the year felt like a roller coaster they couldn't wait to get off.

### **Welcome to 2026!**

A fresh start. A new beginning. A second chance. Another opportunity to get things right.

If you took last year for granted, this is your chance to press the restart button. If you haven't set your goals, now is the time. And if you already have the vision—**now is the time to activate it.**

Habakkuk 2:2–3 reminds us:

*“Write down the vision and make it plain on tablets so that a herald may run with it. For the vision awaits an appointed time... Though it linger, wait for it; it will certainly come and will not delay.”* God is speaking to you right now!

### **The Vision Requires Work**

Some religious fanatics believe that when God gives a vision, all they must do is “**name it and**

**claim it,”** and it will manifest. **Wrong!** Faith without works is dead.

Society has shaped a generation that doesn't always value hard work, sacrifice, or trusting God through the process. Many forget that God is not a magician—He uses ordinary people who are willing to obey and step out in faith.

We plan meticulously for weddings, birthdays, gender reveals, vacations, careers, and retirements. Yet, when it comes to preparing for our divine assignments, many take God's instructions less seriously than their personal plans.

### **A Spiritual Reality Check**

We are living in a time when people cling to vain imaginations, fleeting ideas, and shallow realities—while dismissing truth, morals, revelation, godliness, and spiritual things as unimportant.

2 Corinthians 10:4–5 reminds us:

*“The weapons of our warfare are not carnal but mighty in God... bringing every thought into captivity to the obedience of Christ.”*

You **have** the power, through God, to bring your vision into fruition this year.

### **A Year for the Overlooked**

In 2026, I believe God will move **miraculously and supernaturally** in the lives of individuals who have been rejected, overlooked, dismissed, denied, or written off. These are the *remnants* who have

quietly prepared, sacrificed, worked diligently, studied the Word, and prayed without ceasing while others waited for sudden breakthroughs without putting in the work.

Some are waiting for God to change their situation—but **God is waiting for them** to step out in faith and obey His Word. Many procrastinate or disobey because they're "**waiting on a sign.**" But Jesus told the Pharisees:

*"Why does this generation seek a sign? ... No sign shall be given."* —Mark 8:12

You don't need another sign when God has already given you the blueprint. **Start the work.**

## Trust What God Told You

I don't need a sign to confirm what God has told me. I may seek confirmation to ensure it was God's voice and not my own, but I refuse to let hesitation stop obedience.

There were moments when God prompted me to do things that looked impossible, but those moments taught me to trust *Him*, not myself. I have learned that God's ways may not align with my understanding—but they are always right.

## Declare Over Your Vision

This is your opportunity to revisit or begin executing the vision God gave you. Look in the mirror and declare:

**No more delays!**

**No more denial!**

**No more limitations!**

**No more procrastination!**

**No more wasted time!**

**This is my season to move forward!**

**The bigger the assignment, the sweeter the victory!**

**Praise God!**

Some of you already know God's plan for your life, and you also know what has held you back. But remember **with God, nothing is impossible.**

## Move Forward in Faith

**Think big.**

**Aim high.**

**Be persistent.**

**Trust God.**

**Pray without ceasing.**

You are one of God's chosen vessels. You can be your best despite challenges. God is not limited by your perception—don't box Him into your limited mindset. He has already designated your next step, and **it will be victorious.**

Keep your eyes on Jesus, not on people. Listen to His voice and hold fast to His promises.

## What I'm Believing God For in 2026

Here is what I am believing God for this year:

- An overflow of His love, favor, and mercy
- A supersized vision
- Expansion of my territories globally
- A 100-fold blessing
- Open doors of opportunity
- Signs and wonders through my Ministry
- Financial overflow
- Maximized faith
- Empowerment to do His will
- Positioning to be a blessing to those He has assigned to me

Now—**go ahead and believe God for yourself.**

**2026 IS YOUR YEAR FOR VICTORY!!**

**HAPPY NEW YEAR!**
